Mr. Kenneth W. Powers
Acting Assistant Manager
for Administration
Nevada Operations Office
Las Vegas, Nevada 89193-8518

Dear Mr. Powers:

Enclosed is the final management agreement between our respective organizations in support of the Marshall Islands program. We understand from Ms. Tammy Henderson that the agreement meets with the Nevada Operations Office's approval. I have signed the agreement and request that you also sign it and return a copy to us to complete the process.

I very much appreciate the outstanding support we are receiving from Bechtel Nevada Corporation and your help in getting our Pacific logistics needs included within their overall contract for the Nevada Test Site. The transition is going smoothly, and we look forward to continuing our work with you.

Sincerely,

Frank Hawkins
Director
Office of International
Health Programs
